Personalisation

Most of our favours can be personalised with your details. For example we can attach a matching label with your wedding date, names of the bride and groom, and a short message to your guests. Why not double up your favours as place cards? Individual guest's name can also be printed labels. Personalisation costs are detailed for some of our products in the price list above. Where personalisation costs are not detailed, please contact us to discuss your requirements and for a quote.

Do you have a particular theme or motif you would like to incorporate into your favours? Would you like to give your guests a memento that is completely unique and personal? We can produce bespoke favours, specially created for your event. Please contact us to discuss your requirements.
