BESPOKE DESIGN SERVICE

We offer a design service to adapt our existing styles to a colour scheme to suit your requirements. This is available for selected styles. We also offer a bespoke service, creating a completely new style to suit your wedding style and personal preferences. Please enquire for further details. Charges for these services are as follows:

Bespoke colour scheme: £30.00

Bespoke design: from £60.00 depending on nature of design

This fee forms the first part of your bespoke design order and includes creation of the new design and a print quality sample to review.
